

REPORT OF THE PROVINCIAL GRAND REGISTRAR FOR THE YEAR ENDING 13 JULY 2021

I am sure you will have heard people say it before, but the period covered by this report has been a strange one. The last time we had someone either Advanced or Elevated was on 22 February 2020. In March we entered lockdown and consequently all Masonic meetings were cancelled, although some Lodges did have reduced numbers and Virtual Business Meetings later in the year as some restrictions were eased. This has meant that the numbers being Advanced and Elevated has been reduced. In the previous year a total of 27 were Advanced and 27 Elevated. You will see that during the reporting period this was reduced to 11 being Advanced and 8 being Elevated. Not purely down to the Pandemic, although we did lose some well respected brethren due to this dreadful disease, the number of members dying rose in both degrees. Whilst also reduced, the number of brethren resigning from both degrees also reduced but was 26 in the Mark Degree and 12 in the Royal Ark Mariner Degree. As a result of this subscriptions were also reduced. Unfortunately, the next period of figures is also going to be disappointing due to the pandemic.
